### CANCELLATION AND REFUNDS *Customers are asked to provide a Bank ID at the time of booking.*

We fully understand that your plans may change or that events beyond your control may occur when traveling internationally or organizing a group tour.

If you find yourself unable to take part in the program previously booked - and for which you have paid or were due to pay a 25% deposit - please inform us as soon as possible **both by SMS or WhatsApp and by email**. We will do our best to try and find another date for your outing. Please note that cancellations by post or social media message systems are not receivable.

Please find below our **refund policy** on a case-by-case basis:

**Weather:** We kindly remind you that inclement weather does not constitute a reason for cancellation. And that all outdoor tours can be maintained with indoor meals and entertainment at our partners' venues. Only storms, heavy rain, snow and severe frost can be considered as weather-related cases of force majeure.

**Full refund in case of force majeure:** Customers - and Youpi Tours - may have to cancel a booked tour by invoking "force majeure". For example, in the event of a health problem (doctor's certificate), a climatic event (storm, heavy rain, severe frost) or an unanticipated national transport strike. In this case, the customer will be offered the same service at a later date and will be refunded 100% of the reservation price if the service cannot be rescheduled during the stay (whether the cancellation is the responsibility of the customer himself / herself or Youpi Tours).

**Full deposit refund or voucher for your next outing** if Youpi Tours is responsible for the cancellation (except in cases of force majeure) and if no alternative date has been found during your stay.

**Full refund** of your payment **if the minimum number of participants required for a tour is not reached**. Youpi Tours must inform the customer **24 hours before the departure** (*for tours lasting one day or less*).

**Full refund** of your payment for any TGI Wednesday event! For tickets booked on Billet Web and **if cancellation occurs at least 4 days** (96 hours) **before the event's scheduled time**.

**Full refund with a €10 fee** to cover bank charges and reimbursement if cancellation occurs 2 weeks (14 days) at the latest before the day of the event.

**Invoicing of the deposit** (paid in advance or not) for any quotation validated by the customer **if the cancellation occurs less than 2 weeks** (14 days) **at the latest before the day of the event**.

**Invoicing of the deposit** (paid in advance or not) + a fee of €10 per participant will be charged for **cancellations made between 13 and 3 days before the event**. The customer will receive an invoice or supplementary invoice within 15 days of cancellation.

**Invoicing of the full amount of the program** for all **cancellations made less than 2 days** (48 hours) **before the event, or for no-shows or late arrival without notification** (above 1 hour). The customer will receive the invoice within 15 days of the event.

**Specific case: groups and 100% customized programs.** In the event of cancellation of the program or reduction in the number of participants after validation of the quotation and preparation of the detailed tour (before or after payment of the deposit) the following cancellation and refund rules apply :

- **Full refund** in the event of force majeure or cancellation due to Youpi Tours.

Please note that an individual medical certificate is not a valid reason for cancelling a group tour.

- **Full refund of deposit minus a €10 fee per participant** as compensation for time spent working on your private program.

Only if the cancellation is made at least 30 days before the event.

- **Invoicing of the deposit plus a €10 fee per participant** if cancellation occurs less than 30 days before the event.

- **Invoicing of the full amount** if cancellation is made less than 7 days before the event.
